

**February 2009**

Dear Customer,

**Re: Registration, Evaluation, Authorisation of Chemicals (REACH) EC.No. 1907/2006**

Under the scope of the above European Legislation, Totech EU are both “importer” and “manufacturer” of preparations. Our products are either imported from outside the EU or manufactured by Totech personnel.

Our products (preparations) do not contain any of the substances listed on the candidate list for Substances of Very High Concern (SVHC) issued by **ECHA** and are therefore **REACH** and **ROHS** compliant.

If you have any questions please do not hesitate to contact us.

Yours sincerely,

TOTECH/EU

J.A. Brehler  
Director
